Proposal RFI #3 – The Material Legend denotes RT-1 & 2. The Schedule doesn't show where the different colors go. Please confirm there are two colors and confirm location of colors.

HDR Response 7.9.2013: The Material Legend on sheet A-630, clearly indicates the following:

- **RT-1, Typical U.O.N.**
- **RT-2, See Finish Plans for Accent**

The locations of the RT finishes are indicated in the Room Finish Schedule on the same sheet A-630.

As RT-2 is an accent, as indicated on the Material Legend, you need to look at the Finish Plans (sheets AF-10G and AF-101) for the locations of RT-2.
